

Heima

Furniture collection

Roca

Furniture collection

Its combination with a large number of over countertop basins in different shapes and designs, as well as its left and right-hand models, greatly increase the customization

possibilities of a furniture unit designed to make every bathroom special.

WIDE RANGE OF BASINS

It can adapt to more than 30 different over countertop basin models, thus providing a solution to various styles.

TRENDY FINISHES

Available in three elegant external finishes: gloss White, textured Ash and matt Grey. The inside features a textile finish, very pleasant to the touch and to the eye.

Textile interior

INTEGRATED HANDLES

Its perfectly integrated metal handles, with the same length as the drawer, provide a pure and minimalistic look.

AUXILIARY UNITS

The collection is rounded out with a column unit with great storage capacity, equipped with soft-close system, height-adjustable shelves for more efficient space distribution and the option of left or right opening, depending on the requirements of the bathroom space.

LEFT OR RIGHT VERSION

Its versions with a left or right-sided position of the basin increase the customization options and allow for extra space on the countertop.

SOFT CLOSE

The drawers feature rails with a soft-close system that ensure a soft and silent movement.

Visual map of the collection

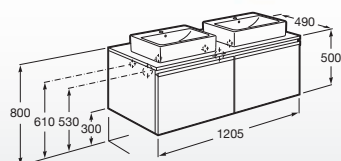

The **Heima** furniture collection has a comprehensive selection of base units, which allow you to choose from a wide variety of different basins.

SOFT CLOSE

[Return to benefits](#)

The drawers of the furniture units feature rails with a soft close system that ensure a soft and silent movement. Moreover, they have undergone durability tests, which guarantee over 20,000 opening and closing cycles.
