Fill valves

COMPACT: Bottom fill valve

ES: A822504400 | PT/FR: A822509800
UK: A822505750

Fill valve A 8 L_m, bottom inlet metal thread.
Compact with fast filling

COMPACT: Side fill valve

ES: A822504300 | PT/FR: A822509700
PL: AH0020100R

Fill valve A 8 L_m, side inlet metal thread.
Compact with fast filling

COMPACT: Dual fill valve

A822509200

Fill valve A 8 dual, side and bottom inlet with metal thread.
Compact with fast filling

Universal mechanisms

Set cable action

Cable Dual flush plus + bottom inlet compact

A822505800

Fill valve A8L_m, bottom inlet metal thread, Cable dual flush valve plus, (6/3 liters) cable activation with push button and fixation kit

Cable Dual flush plus + side inlet compact

A822505900

Fill valve A8L_m, side inlet metal thread, Compact with fast filling, Cable dual flush valve plus, (6/3 liters) cable activation with push button and fixation kit

Touchless

A822599900

Electronic mechanisms EM-1

Universal mechanisms

Dual flush kits

Dual flush + side inlet compact

A822509300

Fill valve A81m, side inlet metal thread, Dual flush valve (6/3 liters) with push button and fixation kit

Dual flush + bottom inlet compact

A822509400

Fill valve A81m, bottom inlet metal thread, Dual flush valve (6/3 liters) with push button and fixation kit
